The line traverses United States Postal Service Zip Codes 46919 and 47348.

NSR has certified that: (1) no local traffic has moved over the line for at least 2 years; (2) no overhead traffic has moved over the line for at least 2 years and overhead traffic, if there were any, could be rerouted over other lines; (3) no formal complaint filed by a user of rail service on the line (or by a state or local government entity acting on behalf of such user) regarding cessation of service over the line either is pending with the Surface Transportation Board or with any U.S. District Court or has been decided in favor of complainant within the 2-

¹ The notice of exemption was received by the Board on December 29, 2004. In a letter accompanying NSR's notice of exemption, NSR indicates that it intended to file the notice of exemption on December 30, 2004, and, if the Board received the filing before that date, NSR requests that the filing date be postponed to December 30, 2004. Accordingly, December 30, 2004 is used as the filed date and the date for computation of due dates in this proceeding.

year period; and (4) the requirements at 49 CFR 1105.7 (environmental reports), 49 CFR 1105.8 (historic reports), 49 CFR 1105.11 (transmittal letter), 49 CFR 1105.12 (newspaper publication), and 49 CFR 1152.50(d)(1) (notice to governmental agencies) have been met.

As a condition to this exemption, any employee adversely affected by the abandonment shall be protected under Oregon Short Line R. Co.—Abandonment—Goshen, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial revocation under 49 U.S.C. 10502(d) must be filed.

Provided no formal expression of intent to file an offer of financial assistance (OFA) has been received, this exemption will be effective on February 18, 2005, unless stayed pending reconsideration. Petitions to stay that do not involve environmental issues,² formal expressions of intent to file an OFA under 49 CFR 1152.27(c)(2),³ and trail use/rail banking requests under 49 CFR 1152.29 must be filed by January 31, 2005. Petitions to reopen or requests for public use conditions under 49 CFR 1152.28 must be filed by February 8, 2005, with: Surface Transportation Board, 1925 K Street, N.W., Washington, DC 20423-0001.

² The Board will grant a stay if an informed decision on environmental issues (whether raised by a party or by the Board's Section of Environmental Analysis (SEA) in its independent investigation) cannot be made before the exemption's effective date. See Exemption of Out-of-Service Rail Lines, 5 I.C.C.2d 377 (1989). Any request for a stay should be filed as soon as possible so that the Board may take appropriate action before the exemption's effective date.

³ Effective October 31, 2004, the filing fee for an OFA increased to \$1,200. See Regulations Governing Fees for Services Performed in Connection with Licensing and Related Services - 2004 Update, STB Ex Parte No. 542 (Sub-No. 11) (STB served Oct. 1, 2004).

A copy of any petition filed with the Board should be sent to NSR's representative:

James R. Paschall, General Attorney, Norfolk Southern Railway Company, Three Commercial Place, Norfolk, VA 23510-2191.

If the verified notice contains false or misleading information, the exemption is void ab initio.

NSR has filed environmental and historic reports which address the effects, if any, of the abandonment on the environment and historic resources. SEA will issue an environmental assessment (EA) by January 24, 2005. Interested persons may obtain a copy of the EA by writing to SEA (Room 500, Surface Transportation Board, Washington, DC 20423-0001) or by calling SEA, at (202) 565-1539. [Assistance for the hearing impaired is available through the Federal Information Relay Service (FIRS) at 1-800-877-8339.] Comments on environmental and historic preservation matters must be filed within 15 days after the EA becomes available to the public.

Environmental, historic preservation, public use, or trail use/rail banking conditions will be imposed, where appropriate, in a subsequent decision.

Pursuant to the provisions of 49 CFR 1152.29(e)(2), NSR shall file a notice of consummation with the Board to signify that it has exercised the authority granted and fully abandoned the line. If consummation has not been effected by NSR's filing of a notice of consummation by January 19, 2006, and there are no legal or regulatory barriers to consummation, the authority to abandon will automatically expire.
